Project Brief and Shortlisting Requirements

1. Project Background

- 1.1 The Urban Renewal Authority is implementing the Conservation and Revitalization Works at 600 – 626 Shanghai Street, Mongkok, Kowloon (“the Development”) as shown in attached site plan.
- 1.2 The site for the Development was handed over to the foundation contractor in April 2016 with the scheduled completion of the foundation works by February Q1 2017.
- 1.3 Based on the current development programme, the main contractor for the Development will be employed in February Q2 2017.
- 1.4 To facilitate early co-ordination between the main contractor and the lift sub-contractor on the structural and builder’s works and material delivery in relation to the lift installation works, the lift sub-contractor has to be nominated to the main contractor as soon as possible after the award of the main contract.
- 1.5 In view of this, the nominated lift installation sub-contract works (“the Sub-contract Works”) has to be tendered out prior to the main contract works.

2. Scope of Works

- 2.1 The Development consists of 6-storey commercial area and community facilities (including one-level of mezzanine floor).
- 2.2 The scope of the Sub-contract Works mainly comprises of supply and installation of two numbers machine room-less type passenger lifts and one number machine room-less type firemen’s / disabled / passenger lift for the development (total 3 nos. of lifts)

3. Shortlisting Requirements

- 3.1 contractor has currently in progress or has completed in the past 5 years with at least one lift installation job in Hong Kong
- 3.2 contractor has declared not currently suspended from any government approved list of contractors.

Site Location Plan
