Project Brief and Shortlisting Requirements

1. Project Background

- 1.1 the Development comprises a total GFA of about 24,000m², with two numbers of 29-storey residential towers over a 4-storey podium and 1-storey basement carpark.
- 1.2 the tender of the Sub-contract Works is scheduled to be issued in Q1 2017
- 1.3 the Main Contract Works are scheduled to commence in Q2 2017.

2. Scope of the Sub-contract Works

- 2.1 supply and installation of one number passenger lift and one number passenger/fireman's lift (corner-post with double landing doors) for each of the 2 residential blocks (Tower 1 and Tower 2) (total 4 nos. of lifts);
- 2.2 supply and installation of two numbers of machine roomless type passenger shuttle lifts for the residential areas (total 2 nos. of lifts);
- 2.3 supply and installation of one number machine roomless type passenger lift for the clubhouse (total 1 no. of lift);
- 2.4 supply and installation of two numbers of machine roomless type passenger and service lift for the commercial area (total 2 nos. of lifts);
- 2.5 supply and installation of three numbers of weatherproof type escalators for the commercial area (total 3 nos. of escalators); and
- 2.6 an optional price for the provision of maintenance services of the Sub-contract Works for five years after the maintenance period.

3. Shortlisting Requirements

- 3.1 contractors who are or were the lift and escalator contractors on at least one residential /commercial project which is currently progressing or has been completed in the past five years of comparable scale to the Project in Hong Kong; and
- 3.2 contractors who have currently progressing or completed in the past five years of projects involving weather proof type escalator, machine roomless type lift and corner-post lift; and
- 3.3 contractors who are not currently suspended from tendering under any relevant government list and have no unsatisfactory performance on current or completed URA projects in the past five years, if any.
